## Message from the Pastor

Since 1976, the Toni P. Farmer Scholarship Committee (TPFSC) has provided dedicated service to the youth of Allen Chapel A.M.E. Church (Allen). The Committee has encouraged and supported young adults by continuously developing programs and providing financial assistance to our high school graduates in their quest for post secondary education.

The Committee's motto is "Encouraging, Educating, and Empowering Young Adults," a powerful message to the graduates that reinforces and serves as a reminder of the importance and value of education. It embraces the Committee's theme, "Strengthened by Education and Empowered by Knowledge (SEEK)". The collaborative efforts of this committee, the members of Allen Chapel, and our many supportive friends remind us that one person cannot do everything but everyone can do something.

I give the Lord all the honor and praise and I thank him for allowing me to serve as the pastor of Awesome, Amazing, and Audacious Allen Chapel A.M.E. Church and for the members of the TPFSC.
